Dear Sir:

Re: Water & Sanitation Study, Pelly Bay N.W.T.

Enclosed please find a copy of the final report for the Pelly Bay Water & Sanitation Study.

The design for the water system will be commencing this summer. If you have any comments on any of the water system options would you direct them towards me by 10th June 1986. If you have any questions regarding the report please call me at (403) 983 - 2142.

Terry Brookes
Municipal Engineer
