Hi Sean,

We need to wait until water crossing documents are available. We are in the process of developing the design package for Water crossing.

I will follow up your guidelines and contact as necessary.

Thanks.

Bhabesh

Dear Mr. Bhabesh:

The Nunavut Water Board (NWB or Board) has completed its review of the application and supporting documents submitted by the Government of Nunavut - Community and Government Services on behalf of the Hamlet of Pond Inlet for the renewal of licence 3BM-PON1012.

Your submission consists of the following documents:

- Renewal Application form
- Application Cover Letter
- 2007 - 2011 Annual Reports
- English Summary of the Application
- Inuktitut Summary of the Application
- 2007 – 2011 Laboratory Test Results
- Waste Water Treatment Facility Slope Inspection Report

The review of the application determined that the following items must be addressed before the NWB could proceed to the next stage(s) of the licensing process for the application:

- Apart from the above and as mentioned in our most recent meeting, the NWB recommends that the application for the Hamlet of Pond Inlet, "Water Crossing Project" be included under the scope of this renewal application.

Regards,

Sean
