Thank you for your response, Bhabesh – I note that drawings were received in this office on March 6, 2009 and May 19, 2009. **Perhaps Steve Lines can confirm that these are the drawings he requires to complete his assessment of the file.**

The remainder of the information requested remains outstanding to my knowledge.  
Regards,

We have already submitted the as built drawings of the new Sewage Lagoon. I am wondering why you are asking again.  
We are writing you soon for items 2 to 5.

Thanks
