Mr Roy,

I am responding to your statement that the as-built drawings of the new 2005 sewage lagoon are already on file. The only as-built drawings on file (ftp site) with the 2009 renewal application are those for the landfill. I'm aware of correspondence filed under [ftp://nunavutwaterboard.org/PRUC/3%20MUNICIPAL/3B/3BM%20-%20Municipality/3BM-PON0409/3%20TECHNICAL/4%20WASTE%20DISP%20\(D\)/](ftp://nunavutwaterboard.org/PRUC/3%20MUNICIPAL/3B/3BM%20-%20Municipality/3BM-PON0409/3%20TECHNICAL/4%20WASTE%20DISP%20(D)/) indicating that as built drawings of the sewage facility were submitted in 2005 and 2006. I assume these are the ones you are referring to, however, I can't find the as-builts - it's just a cover letter. If you have them electronically and if they are not too big to email I would appreciate if you could send them. I will contact Phyllis and ask if she has anything on the internal files, which might be the case.

I'll also await the forthcoming submission of your response to items 2 to 5.
Thank you

Thank you for your response, Bhabesh – I note that drawings were received in this office on March 6, 2009 and May 19, 2009. **Perhaps Steve Lines can confirm that these are the drawings he requires to complete his assessment of the file.**

The remainder of the information requested remains outstanding to my knowledge.

Phyllis,
We have already submitted the as built drawings of the new Sewage Lagoon. I am wondering why you are asking again.
We are writing you soon for items 2 to 5.

Thanks

Bhabesh
