Re: Application exempt from Screening pursuant to NLCA Schedule 12-1: Hamlet of Pond Inlet's "Type B Water Licence Renewal" project application

Dear Phyllis Beaulieu:

On March 27, 2015 the Nunavut Impact Review Board (NIRB) received an application from your office for Hamlet of Pond Inlet's "Type B Water Licence Renewal" project application. The NIRB has determined that this project proposal is exempt from screening pursuant to item 5 of Schedule 12-1 of the Nunavut Land Claims Agreement (NLCA), *Types of Project Proposals Exempt from Screening*:

NLCA Schedule 12-1 (5):

"Water uses that do not require a public hearing under Section 13.7.3".

As this project application is exempt from the requirement for Screening by the NIRB, authorizations associated with this proposal may be processed by your office.

If you have any questions or require additional clarification, please contact the undersigned directly at info@nirb.ca or (867) 983-4612.

Sincerely,

A handwritten signature in black ink that reads "Natasha Lear". The script is cursive and fluid.
