**ANNUAL REPORT  
FOR THE MUNICIPALITY OF POND INLET**

---

- iv. a summary of modifications and/or major maintenance work carried out on the Water Supply and Waste Disposal Facilities, including all associated structures and facilities;

N/A

- v. a list of unauthorized discharges and summary of follow-up action taken;

N/A

- vi. a summary of any abandonment and restoration work completed during the year and an outline of any work anticipated for the next year;

N/A

- vii. a summary of any studies requested by the Board that relate to waste disposal, water use or reclamation, and a brief description of any future studies planned;

Yes, to address the compliance issues, GN will commission a study to improve the use of waste management process. From this study, we will be able to know exactly what the needs of this community. We will use this study to educate the municipal staff for the proper operation of the landfill site. We will incorporate this study to design a new landfill site to enable the community to properly segregate the solid wastes within the land fill site.

- viii. any other details on water use or waste disposal requested by the Board by November 1st of the year being reported; and

Explained above in item vii.

- ix. updates or revisions to the approved Operation and Maintenance Plans.

**ANNUAL REPORT  
FOR THE MUNICIPALITY OF POND INLET**

---

---

Nothing for water supply and sewage Lagoon. Once new facility of waste management is designed and built, a standard O&M manual will be made available.

---

**ADDITIONAL INFORMATION THAT THE LICENSEE DEEMS USEFUL:**

---

A comprehensive study will help designing a new facility.

---

**FOLLOW-UP REGARDING INSPECTION/COMPLIANCE CONCERNS:**

---

Hamlet is working closely with GN-CGS to satisfy the compliances of the water license.
