 NUNAVUT WATER BOARD
 NUNAVUT IMALIRIYIN KATIMAYINGI

August 13, 2001

URGENT

File No: NWB3PON9904

To: Distribution List

The Nunavut Water Board received an application for amendment from the Municipality of Pond Inlet for Sewage Treatment Facility.

Notice of this application will be posted at local organizations in Pond Inlet.

The following documents are being sent to the distribution list:

- Cover Letter (dated August 8th, 2001)
- Notice in English and Inuktitut
- Application

NWB3PON9904 is exempt from conformity review by the Nunavut Planning Commission (NPC) and from screening by Nunavut Impact Review Board (NIRB), and being processed by NWB. The Nunavut Water Board is accepting written concerns and comments with regards to this project before **August 24, 2001**.

Sincerely,

Andrea Carter
 Licensing Administrator, Summer Student
