Sub: Municipality of Qikiqtarjuaq Water Licence # 3BM-QIK1419; Type B: Amendment and Renewal

Following the new application procedure, we submitted the project proposal first to Nunavut Planning Commission. We received a notification from NPC dated April 29, 2019 that the project proposal for the amendment and renewal of the Municipality of Arctic Bay water licence application is exempt from both NPC and NIRB. Therefore, I am submitting the following documents to Nunavut Water Board for consideration and recommend renewing the Water licence for 10 yrs. effecting from August 07, 2019.
