Mr. Don Pickle
Senior Administrative Officer
Municipality of Broughton Island
Broughton Island, NT
XOA OBO

Dear Don,

Analytical Results - Broughton Island
July 18, 1996 Inspection

1. Attached, for your records, are the results for the set of water samples collected during the water licence inspection.
2. All parameters tested for are within the Health and Welfare Canada *Guidelines for Canadian Drinking Water Quality*.
3. Thank you for the notification for the date that the lagoon would be drained (per Part D, Item 4) of the licence. Please note the requirement to collect samples during the decant (per Part D, Item 2 and SNP Part B, Item 1). If sufficient time is given, this office will provide the sampling equipment (bottles, preservatives, instructions, etc.) required for the decant in the 1997 summer season.

Sincerely,

Handwritten signature: Paul Smith

Arctic Environmental Strategy - Water Quality Network Sampling
Lay Sampler Program Contract

1. Attached for your perusal and signature are three copies of our Lay Sampler Program contract for your community.
2. I would ask that you sign, date and witness all three copies of the contract, where indicated.
3. Please return the original (dark-toned paper) and second copy to our office. The third copy is for your records.

Should you have any questions, do not hesitate to call this office. The phone number is (819) 979-4405.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul Smith".
