Reminder to submit Annual Report for Water Licence

Indian and Northern Affairs Canada (INAC) is responsible for enforcing provisions of the *Northwest Territories Waters Act*, which requires municipal operations have a valid water licence. This licence is issued by the Nunavut Water Board (NWB) under the *Nunavut Land Claims Agreement*, which also requires that municipalities possess a water licence.

Accordingly, INAC is charged with enforcing your community's water licence NWB3QIK0106. As such, we are taking the opportunity to remind you that, according to Part B, Item 1 of your water licence, the Municipality of Qikiqtarjuaq must file an annual report with the NWB by no later than March 31. In anticipation of - and in order to assist you in - submitting the annual report, please find attached a copy of a form that, if properly completed, can fulfill the requirements of your annual report.

Additionally, according to the Water Resources Officer's latest inspection report sent to the Municipality on November 28, 2001, the Municipality is currently in non-compliance with respect to submitting its operation and maintenance plan of their sewage and solid waste disposal facilities. According to Part G, Item 1 of water licence NWB3QIK0106, this plan was due on July 1, 2001.

If you have any concerns or questions, please feel free to contact me.

Sincerely,

Original Signed By: Michael Roy
