Subject: Submission of the 2006 Annual Report for the Hamlet of Qikiqtarjuaq; Licence 3BM-QIK0106

Dear Mr. Richards,

The Nunavut Water Board ("NWB") would like to acknowledge receipt on January 10, 2007 of the above document submitted under Part B, Item 1 of Licence 3BM-QIK0106. After an internal technical review of the annual report, the document was found to be deficient of the following:

1. All discharges from monitoring stations 0640-6, 0640-6A, 0640-7, 0640-8, 0640-9 and 0640-10 should have been tested as identified in Schedule 1 of the Licence and the results should have been submitted as part of the annual report.

During the review it was also noted that the NWB has not received the 2007 annual report from the Hamlet of Qikiqtarjuaq. The 2007 annual report was due by March 31st of 2008. The Hamlet of Qikiqtarjuaq shall within thirty (30) days of the date of this letter submit to the NWB the 2007 annual report in the format set out under Part B Item 1 of Licence 3BM-QIK0712.

Should you have any further questions, please feel free to contact me at (867) 360-6338, at your earliest convenience.

Regards,

Deon Bridge
Technical Advisor
