**RE: Sewage Lagoon Decant**

This letter is to advise you we intend to decant our lagoon on June 27, 2003. This is one month earlier than usual due to the lack of free board in the sewage lagoon. We currently do not have sufficient capacity in our lagoon to meet the requirements of the community. If we do not decant the lagoon we will be threatening its structural integrity.

Sincerely,

*Original Signed by*

Don Pickle  
SAO
