Good Morning Phyllis,

Hamlet is reviewing the design to make sure how it should fit into the new position. It may take some time. I will resubmit amendment application once everything is ready.

Thanks.

Good afternoon Bhabesh – please correct me if I’m wrong, but it appears from the drawing sent in on November 3, 2009, that the location for the Landfarm is not the same as was indicated in the 2007 Amendment. There is a requirement to submit an official letter requesting a modification. Please provide so that we can go forward with this project.

Regards,

Hi David,

Please find attached the new location proposed by the Hamlet for Landfarm. If you are ok with this, we are moving ahead for construction phase.

Thanks David.
