Subject: Submission of Updated O&M Plan for Water Reservoir, Sewage Lagoon and Solid Waste Disposal Facility Hamlet of Qikiqtarjuaq, Nunavut

Dear Mr. Roy:

The Nunavut Water Board ("NWB") acknowledges receipt of the above mentioned manual on December 13, 2010. This submission has been placed on the NWB public registry and is available from the NWB ftp site. Comments from INAC on the 2007 renewal of this licence recommended that the OM Manual segments be submitted as stand-alone documents. However, please note they are combined within the one manual.

The NWB gives interested persons thirty (30) days to review the submission and make representations to the NWB. All representations shall be submitted to the NWB by mail, fax or email before March 28, 2011, 5:00 pm Mountain Standard Time. At the end of the review period the NWB will review all submissions and you will be contacted should concerns arise or should additional information be needed. Thank you.

Please forward all comments to licensing@nunavutwaterboard.org

Sincerely,
