Re: Water Licence Requirements

Dear Mr. Roach:

The Nunavut Water Board acknowledges receipt on August 10, 2001 of a letter from Johnny Tucktoo Jr. with regards to the lots around Williamson Lake as well as receipt of a water licence application form. The application is to make 2 bicycle courts, a soccer field, track around the field and a walking trail halfway around the lake.

The Nunavut Water Board has determined that this application **does not require authorization to proceed.**

Should the scope of this project change in a manner affecting the use of freshwater or the disposal of waste into freshwater, please contact our office.

In the meantime, we look forward to receiving your application for the renewal of the municipal water licence.

Sincerely,
