Subject: Cancellation of a Water Licence Application – Hamlet of Resolute Bay

Dear Mr. Roy:

On December 7, 2007 the Nunavut Water Board (“NWB”) received an incomplete application for Hamlet of Resolute Bay municipal solid waste disposal. On May 7, 2010 the NWB notified the applicant that this application would be considered cancelled should there be no response to requests for additional information on the renewal application by May 21, 2010.

The applicant is reminded that in accordance with Article 13.7.1 of the Nunavut Land Claims Agreement “With the exception of domestic or emergency use of waters as set out in Section 5 of the *Northern Inland Waters Act RSC 1985, c. N-25*, no person may use water or dispose of waste into water without the approval of the NWB”.

The applicant is reminded that the current application before the Board was cancelled as of May 21, 2010. A complete water licence application resubmission which addresses the deficiencies is to be submitted to the NWB.

Please do not hesitate to contact our office should you require further clarification.

Sincerely,

Original signed by:
