The following documents are available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder "NWB3RES".

- notice (in English and Inuktitut)
- application form
- supplementary questionnaire
- executive summary in English and Inuktitut
- information pertaining to the application
- maps and drawings
- DIAND Inspection Reports
- Spill Reports
- Dillon Report 1999, Utilidor Upgrade
- Dillon Report 1999, Water System Building Assessment

NWB3RES is exempt from conformity review by NPC and from screening by NIRB because of its municipal status. The Nunavut Water Board is accepting written concerns and comments with regard to this project before **February 28, 2003**. Due to the construction time available to Hamlets, all Hamlet applications have been given priority. If you require an extension to this deadline, please let our office know before the deadline, otherwise, your comments may not be considered.

Sincerely,
