Hi Bhabesh,

Thank you for sending a text message, dated March 27, 2020, clarifying that sewage and greywater should not be included under the **3BM-RES2025** Licence.

Hi Bhabesh,

I have a question regarding the application you submitted for the Resolute Type B Landfarm Licence (3BM-RES1520).

In the application, you included Sewage and Greywater under the types of waste planned to be disposed.

These were not under the scope of the previous Water Licence, which only included solid wastes.

Please advise if this is a typo or you are requesting to amend that section.

Thank you,
