Hi Bhabesh – currently this file is undergoing an internal review. Once the tech has completed his review you will be notified of any admin or technical deficiencies. As a courtesy and a heads up, there is a requirement for the 30.00 admin fee as well as the English and Inuktitut summaries. Also there have been no annual reports submitted since 2004 and there is no OM Manual, which was to be submitted in May of 2004.

Regards,
