The NWB has conducted a preliminary technical review of the Application and all materials received to date to determine completeness of the Application. Based on this review, the NWB concluded that the Application meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (“Act”). However, the NWB retains the right to

request additional information and studies pursuant to sections 48(2) of the Act or to issue guidelines for the provision of information pursuant to section 48(3) of the Act.

In accordance with S.11.5.10 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* (“NLCA”), prior to the application being fully processed by the NWB, the project proposal shall be reviewed by the Nunavut Planning Commission (“NPC”) to determine whether the project proposal is in conformity with an approved land use plan. By copy of this letter to the NPC, the NWB requests that the NPC provide its determination and recommendations to the NWB pursuant to Sections 13.4.2 through 13.4.5 of the NLCA, or written confirmation that the project proposal falls outside the boundaries of an approved land use plan. Also, by copy of this letter to the Nunavut Impact Review Board (“NIRB”), the NWB requests that if the project proposal requires screening, the NIRB provide the NWB with a determination pursuant to Section 13.5.1 of the NLCA. If the project is exempt from screening pursuant to Schedule 12-1 of the NLCA, the NWB requests written confirmation from the NIRB that the project proposal is in fact exempt from screening.

Subject to Sections 12.10.2 and 13.5.5 of the NLCA, where a review is required pursuant to Article 12, the NWB shall not approve any water application that forms part of that review until Article 12 has been complied with.

To ensure this application is dealt with in a timely fashion, the NWB forwards a Notice of Application and all documentation to regulators and council of the municipality (ies) most affected by the project, inviting interested parties to make representation directly to the NWB **within thirty (30) days from the date of this letter**. All submissions pertaining to this file should be provided to the NWB’s Manager of Licensing by email to licensing@nwb-oen.ca. The NWB may provide additional procedural instructions once the Application has been reviewed by interested parties.

If you have any questions regarding procedural matters related to the file, please contact Robin Ikkutisluk, Licence Administrator Assistant, or Phyllis Beaulieu, Manager of Licensing by phone at (867) 360-6338 or by e-mail to licensing@nwb-oen.ca. For inquiries related to technical matters, please contact Sonia Aredes, Technical Advisor, by email to sonia.aredes@nwb-oen.ca, or David Hohnstein, Director of Technical Services, by e-mail to david.hohnstein@nwb-oen.ca.

Sincerely,

Robin Ikkutisluk
Licence Administrator Assistant
