Re: Application Acknowledgement and Requirement for Notice of the Application for the Municipality of Sanikiluaq

Dear Mr. Fleming:

The Nunavut Water Board acknowledges receipt on February 19, 2003 of your water licence application for the Hamlet of Sanikiluaq, submitted on your behalf by Ferguson Simek Clark. Your application included the following items:

- executive summary in English and Inuktitut
- application form
- supplementary questionnaire
- Information for the Water License Application
- Appendix 1 - maps and drawings
- Appendix 2 – Hazardous Materials Spill Reports
- Appendix 3 – INAC Inspection Reports

By copy of this letter to Ferguson Simek Clark we formally request the $30.00 application fee in cheque form, made payable to "Receiver General for Canada".

This project is exempt from screening by the Nunavut Planning Commission and by the Nunavut Impact Review Board due to its municipal status.

I have been asked by the Board to inform you that a notice of your application is required. This notice of requirement is based on Article 13.3.14 of the Nunavut Land Claims Agreement (NLCA), which states that the Board should take "…all steps necessary by way of notice…to provide and promote public awareness [of hearings]."

Accordingly, a notice in both English and Inuktitut will be posted for a period of 30 days, with the local establishments in Sanikiluaq.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application. Any person who is affected by this application or concerned with it, may submit a letter of concern, which must be submitted to the Board within the period of time shown on the public notice.

Please call the undersigned at (867) 360-6338 or nwblic@polarnet.ca if you have any questions.

Sincerely,
