Dear Mr. Lyall,

Re: Water Licence Application.

As per your request, enclosed you will find the necessary information to guide and assist you in completing the minimum requirements to obtain a water licence. These forms are also available on diskette in the WordPerfect 6.1 version.

If you require clarification or assistance please do not hesitate to contact myself or the following: Ms. Dionne Filiatrault, Technical Advisor for the Nunavut Water Board. Including Kojo Kumi of MACA for technical information, and from Public Health, Mr. Robert Phillips of the Kitikmeot Health Board are available in providing assistance in this stage.

Enclosures:

Interim Procedures and Information Guide for Applicants;
Interim Rules of Practice and Procedure for Public Hearings;
Application form;
Supplementary Questionnaire; and
3.5" diskette in WP 6.1 (containing the above).

Sincerely,

David Porter
Licence Administrator
