

## System Component Acceptance Test Report

| Serial Number | Component Description                   | Accepted By | Accepted Date |
|---------------|-----------------------------------------|-------------|---------------|
| M70003320     | Xantrex XW 6048                         | OL/MH       | 21/06/2010    |
| M70003686     | Xantrex XW 6048                         | OL/MH       | 21/06/2010    |
| M70003750     | Xantrex XW 6048                         | OL/MH       | 21/06/2010    |
| M70003753     | Xantrex XW 6048                         | OL/MH       | 21/06/2010    |
| MB0004251     | Xantrex MPPT                            | OL/WB       | 11/08/2011    |
| MB0004293     | Xantrex MPPT                            | OL/WB       | 11/08/2011    |
| MB0005179     | Xantrex MPPT                            | OL/WB       | 11/08/2011    |
| MB0005253     | Xantrex MPPT                            | OL/WB       | 11/08/2011    |
| MB0005466     | Xantrex MPPT                            | OL/WB       | 11/08/2011    |
| MB0005807     | Xantrex MPPT                            | OL          | 25/10/2011    |
| 17303213      | Whisper 500 Turbine & Charge Controller | OL/KP       | 23/06/2010    |
| 16200         | Watt Sun AZ125 Tracker                  | CT/JDB      | 19/06/2010    |
| 16201         | Watt Sun AZ125 Tracker                  | CT/JDB      | 21/06/2010    |
| 16202         | Watt Sun AZ125 Tracker                  | CT/JDB      | 22/06/2010    |
| 16203         | Watt Sun AZ125 Tracker                  | CT/JDB      | 22/06/2010    |
| 16204         | Watt Sun AZ125 Tracker                  | CT/JDB      | 22/06/2010    |
| 16205         | Watt Sun AZ125 Tracker                  | CT/JDB      | 19/06/2010    |
| 15862         | Watt Sun AZ125 Controller               | CT/JDB      | 19/06/2010    |
| 15863         | Watt Sun AZ125 Controller               | CT/JDB      | 21/06/2010    |
| 15864         | Watt Sun AZ125 Controller               | CT/JDB      | 22/06/2010    |
| 15865         | Watt Sun AZ125 Controller               | CT/JDB      | 22/06/2010    |
| 15866         | Watt Sun AZ125 Controller               | CT/JDB      | 22/06/2010    |
| 15867         | Watt Sun AZ125 Controller               | CT/JDB      | 19/06/2010    |
| 15939         | Watt Sun AZ125 Controller               | OL          | 25/10/2011    |

## Unigy II Battery Banks

Cell Voltage Report, OL, 29/07/2011

| Bank 1 (Farthest from Inverters) |            |       |
|----------------------------------|------------|-------|
| Cell No.                         | Serial No. | Volts |
| 1                                | 1865949    | 1.998 |
| 2                                | 1865955    | 1.995 |
| 3                                | 1865938    | 1.989 |
| 4                                | 1865937    | 1.991 |
| 5                                | 1865932    | 1.997 |
| 6                                | 1865931    | 2.005 |
| 7                                | 1865926    | 1.994 |
| 8                                | 1865925    | 2.001 |
| 9                                | 1865924    | 2.003 |
| 10                               | 1865927    | 2.001 |
| 11                               | 1865930    | 2.005 |
| 12                               | 1865933    | 2.006 |
| 13                               | 1865936    | 2.004 |
| 14                               | 1865939    | 2.003 |
| 15                               | 1865954    | 1.992 |
| 16                               | 1865948    | 2.001 |
| 17                               | 1865947    | 1.994 |
| 18                               | 1865953    | 1.998 |
| 19                               | 1865940    | 1.994 |
| 20                               | 1865935    | 1.992 |
| 21                               | 1865934    | 1.994 |
| 22                               | 1865929    | 1.995 |
| 23                               | 1865928    | 1.995 |
| 24                               | 1865923    | 1.993 |

| Bank 2 (Closest to Inverters) |            |       |
|-------------------------------|------------|-------|
| Cell No.                      | Serial No. | Volts |
| 1                             | 1865956    | 1.991 |
| 2                             | 1865950    | 1.991 |
| 3                             | 1865943    | 2.003 |
| 4                             | 1865364    | 1.993 |
| 5                             | 1865363    | 1.992 |
| 6                             | 1865370    | 1.991 |
| 7                             | 1865369    | 2.001 |
| 8                             | 1865944    | 2.006 |
| 9                             | 1865945    | 2.009 |
| 10                            | 1865946    | 1.999 |
| 11                            | 1865367    | 1.996 |
| 12                            | 1865368    | 1.999 |
| 13                            | 1865371    | 1.999 |
| 14                            | 1865372    | 1.999 |
| 15                            | 1865361    | 1.996 |
