# RE: NPC File # 149433 [3BM-TAL 1926Taloyoak Water Licence Renewal]

The following works and activities have been proposed in the above-noted project proposal:

- 1. Renewal and amendment of the Hamlet of Taloyoak Type B Water Licence [3BM-TAL 1926]
- 2. Related NPC FILE No: 149243; Related NIRB FILE No. EX224
- 3. Location: Kitikmeot Region [Taloyoak, within the Municipal Boundaries]

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. NPC has determined that this project proposal is outside the area of an applicable regional land use plan. The activities associated with this proposal were previously reviewed by NPC, and a decision was issued on October 31, 2019 which still applies. In addition, the activities were previously exempt from screening by the Nunavut Impact Review Board (NIRB FILE No.: EX224).

The project proposal does not require screening because it belongs to a class of works or activities set out in Schedule 12-1 of the Nunavut Agreement (NA), and the NPC does not have concerns regarding the cumulative impacts of the project proposal.

By way of this letter, the NPC is forwarding the project proposal to the regulatory authorities identified by the proponent. Project materials, including the applicable conformity requirements, are available at the following address:

 $\underline{https://lupit.nunavut.ca/portal/project-dashboard.php?appid=149433\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&sessionid=149436\&ses$ 

This decision applies only to the above noted project proposal as submitted. Proponent may not carry out project and regulatory authorities may not issue licenses, permit, and other authorizations in respect of project if a review by the NPC is required.

Sincerely,

Solomon Amuno, PhD Senior Planner Nunavut Planning Commission
