Date: Wednesday, October 28, 2009 8:04:58 AM

Dear Recipient,

A new Community Plan and Zoning By-law are being prepared to guide the development of Taloyoak to the year 2030. The draft Community Plan and Zoning By-law are now ready for viewing and comment. Official comments on these documents are being solicited from a variety of public agencies. Your comments will be particularly helpful to further refine the plan.

The plans are being distributed electronically by FoTenn Consultants Inc. the community planning consultant who has been engaged to complete the project. Printed copies of the poster plans can also be viewed at the offices of the Department of Community and Government Services in Cambridge Bay and Kugluktuk.

NOTE: Due to firewall security settings in some government offices, some recipients of the original circulation notice have experienced difficulty accessing the consultants' FTP site. If you have not yet downloaded the documents from the FTP site, they may also be accessed via the following website:
