Subject: Licence No. 3BM-TAL1419 “Hamlet of Taloyoak” Kitikmeot Region, Nunavut; Submission of Annual Report for 2014

Dear Mr. Alam,

The Nunavut Water Board (“NWB” or “Board”) has reviewed the 2014 Annual Report for the above mentioned project that was submitted to the NWB on behalf of the Hamlet of Taloyoak, on March 23, 2015. The Annual Report was distributed for information.

The Annual Report included also Effluent sample analytical results for 2014. While the Annual Report is found to be generally meeting the reporting requirements of the Licence 3BM-TAL1419, the NWB notes however that the requirements of Part F, Items 1, 2 and 3 of the Licence are not yet fulfilled.

Under Part F Item 1, 2, and 3, respectively, the Licensee was required to submit by March 31, 2015, updates to the following Plans:

- Operation and Maintenance Manual for the Water Treatment Plant;
- Operation and Maintenance Manual for the Sewage Treatment Facility; and
- Operation and Maintenance Manual for the Solid Waste Facility.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 Ext. 35 or karen.kharatyan@nwb-oen.ca, at your earliest convenience.

Yours truly,

(for) Karén Kharatyan
Senior Technical Advisor
