Re: Application Acknowledgement

Dear Ms. Angootealuk

The Nunavut Water Board acknowledges receipt on April 2, 2002 of your water licence application for the Hamlet of Whale Cove. Your application included the following items:

- application form
- supplementary questionnaire

As well, we acknowledge receipt on March 25, 2002 of the Whale Cove Sewage Lagoon and Solid Waste Sites Planning Study from Ferguson Simek Clark in Yellowknife.

This project is exempt from review by the Nunavut Planning Commission and from screening by the Nunavut Impact Review Board due to its municipal status.

As a **first stage** in the processing of your application, we will be reviewing your application for completeness. You will be contacted should additional information or clarification be required.

Sincerely,
