Re: Hamlet of Whale Cove

Further to my letter of April 26, 2002, the Nunavut Water Board received notification that Ferguson Simek Clark will be submitting additional application items to make the application more complete.

In light of this, we are withdrawing our deadline date of May 24, 2002. A new deadline will be set when we notify the distribution list of the additional materials received.

However, the following documents are still available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder "NWB3WHA."

- notice (in English and Inuktitut)
- application form
- supplementary questionnaire
- Report: "Whale Cove Sewage Lagoon and Solid Waste Sites Planning Study."
- Aerial photo of the community

Sincerely,

Original signed by:

Rita Becker, Licensing Administrator
