Further to our letter of April 26, 2002, the Nunavut Water Board has now received additional correspondence to make this application more complete.

Notice of this application will be posted at local organizations in Whale Cove.

The following documents are available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder "NWB3WHA":

- notice (in English only) (Inuktitut version available at a later date)
- application form
- supplementary questionnaire
- Report: "Whale Cove Sewage Lagoon and Solid Waste Sites Planning Study."
- Report: "Municipal Water Use Inspection Report"

For all parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **July 31, 2002**.

Sincerely,
