Re: Application Acknowledgement and Additional Information Required for Hamlet of Whale Cove's "Sewage Lagoon Expansion" project proposal

Dear Paul Kaludjak:

On January 21, 2015 the Nunavut Impact Review Board (NIRB or Board) received Hamlet of Whale Cove's (the Hamlet) "Sewage Lagoon Expansion" project proposal from the Nunavut Water Board (NWB). On January 23, 2015 the NIRB received correspondence from the Nunavut Planning Commission (NPC) which indicated it had reviewed the application and determined that it did not change the scope of the originally reviewed project to an extent that would warrant a further review at this time. The NIRB has assigned this project proposal file number 15UN004 - please reference this file number in related future correspondence. All documents received and pertaining to this project proposal include:

- *NWB Referral,*
- *NWB Application for Water Licence Amendment,*
- *Non-technical Project Proposal summary in English and Inuktitut*
- *Final Wetlands Assessment Report,*
- *Environmental Assessment screening report – Sewage Wetland Upgrade for the Hamlet of Whale Cove including Appendices A (Maps) and B (Site Photographs)*
- *Executive Summaries in English and Inuktitut, and*
- *NPC Determination.*

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does ***not*** contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submission of the following information by **March 2, 2015**.

- *Environmental Management Plan,*
- *Operation and Maintenance Plan,*
- *Abandonment and Restoration Plan,*

- *Monitoring Plan,*
- *Emergency Spill Plans,*
- *Fuel and Chemical Storage Plan (if applicable), and*
- *And any other applicable materials for this project proposal.*

Please forward all forthcoming submissions to the NIRB at info@nirb.ca or via fax at **(867) 983-2594**.

If you have any questions or require additional clarification, feel free to contact me at (867) 983-4619 or kgillard@nirb.ca.

Sincerely,
