Subject: RE: Attention: Phyllis Beaulieu -- Application for Water Licence Resolute Airport
Date: Thursday, December 04, 2008 10:14:00 AM

Thank you for the application. This file, under 3BM-YRB0308, is currently unlicensed as the expiry date was November 30th. Our office will review the file for admin and technical completeness prior to distribution for comments. You will be contacted on any deficiencies. There is one document that I could not open, entitled "Application.pdf". Is this the same as the one called "Document.pdf"???
