Subject: 3BM-YRB0308 Type 'B'; Government of Nunavut, Department of Economic Development and Transportation; Resolute Airport Renewal Application

Dear Mr. Brown,

On October 23, 2009, the Nunavut Water Board (NWB) emailed a requirement for the applicant to submit a Plan for Compliance which demonstrates the ways and means the Licensee will undertake to achieve full compliance with the applicable Licence conditions and any issues raised by the Inspector. Following the October 23, 2009 email, the NWB has provided follow-up requests for the Plan for Compliance however no Plan for Compliance or written timetable for the submission of one has been received to date.

To facilitate the renewal requirements, the NWB has provided a copy of the Plan for Compliance template with this letter. The NWB will proceed with reviewing the application and comments upon receipt of the Plan for Compliance. Please submit the requested information to the NWB by **August 20, 2010**. Non-scanned pdf format is preferred for the submission of documents to allow for ease of searching information.

Should you have any questions regarding the above, please do not hesitate to contact the undersigned at (867) 360-6338 or by email at licensing@nunavutwaterboard.org.

Yours truly,
