NWB,

ECCC has reviewed the provided responses to the department's November 2, 2021 Technical Review comments submission. ECCC concurs with the condition of the new Licence to include the updated operational and monitoring plans (e.g., O&M manual, QA/QC Plan) to be completed within 4 (four) months from the date of the renewal of the Water Licence. ECCC also concurs with the additional condition of the new Water Licence to include the upgraded QA/QC Plan with the Consultation of the Lab within 4 (four) months from the date of the renewal the new Water licence.
