SURVEILLANCE NETWORK PROGRAM (SNP)

Samples Collected		Owner /Operator: No results from Licensee available	
1		INAC: None	
Signs Posted	SNP: None		Warning: None
Records & Reporting: None.			
Geotechnical Inspection: N/A			

Non-Compliance of Act or Licence: Annual reports have not been filed with the Nunavut water Board and records were not available for review during the period of Inspection. Water License expired on November 30, 2008. Sampling has not been conducted this past year. The Government of Nunavut continues to operate in contravention of the Nunavut Water and Nunavut Surface Rights Tribunals Act. The Government of Nunavut is reminded that compliance with the issued Inspector’s Direction (2008) is a required under the Act and failure to do so is an offence. To date proof of compliance has not been submitted.
