Good afternoon. It has come to the attention of the Nunavut Water Board ("NWB") that your organization is operating a lodge without a valid water licence. Please be advised that in accordance with Article 13.7.1 of the Nunavut Land Claims Agreement "With the exception of domestic or emergency use of waters as set out in Section 5 of the *Northern Inland Waters Act RSC 1985, c. N-25*, no person may use water or dispose of waste into water without the approval of the NWB".

The documents required for submission are as follows:

1. Water Licence Application Form (signed)
2. Remote Camp Questionnaire
3. Area Maps (no larger than 11 x 17)
4. English and Inuktitut project summaries
5. Spill Contingency Plan complete with MSDS Sheets
6. Abandonment and Restoration Plan
7. Administration Fee of \$30.00 (cheque, money order or Visa are accepted. Cheques must be made payable to "Receiver General for Canada")
8. Water Use Fee of \$30.00 (payable on an annual basis)

All documents can be submitted electronically to my attention at the email address noted below. One hard copy submitted via regular mail is also required.

We look forward to hearing from you in the very near future. Any questions, please don't hesitate to contact our office.
Regards,

Phyllis Beaulieu
