Re: New Application Acknowledgement for the Arctic Watch Lodge

Dear Mr. Webber:

The Nunavut Water Board ("NWB") acknowledges receipt on May 22, 2009 of your new water license application for the Arctic Watch Lodge, file number 3BL-AWL----

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. As previously requested in an e-mail from April 8, 2009, we are asking you to provide the following:

- NIRB Screening Decision (or confirmation in writing that a NIRB screening is not required)
- NPC Conformity (or confirmation in writing that an NPC Conformity is not required)
- Remote camp questionnaire
- Inuktitut & English Summary
- Spill Contingency Plan
- Abandonment & Restoration plan

We will resume the processing of your application once we received the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
