Good afternoon Mr. Weber.

The Nunavut Water Board acknowledged receipt on June 13, 2011, of your information advising that no activities would be associated with your project this season. However this does not absolve the licensee of its responsibilities under the terms and conditions of the current and still active licence.

If you wish to cancel your licence and reapply at a later date you will be required to submit an application to cancel, along with the appropriate administrative fee. Water use fees are payable on an annual basis for the right to use water as per section 9 of the Act. Please note that this fee is payable whether water is actually used or not. Any questions please don't hesitate to contact our office.

Regards,

Phyllis Beaulieu

Dear Phyllis,

Thank you for the information.

We did send a letter to the effect that we will not open our lodge this summer, thus we will not need a water licence for 2011. We do plan to go back again in 2012.
