Hi Leslie;

As you know Bathurst Lodge has been in operation since 1969, we are now told we need a Water Board License and I need to know from you if we require screening for this (see below).

Your prompt attention to this is appreciated.

Good morning Boyd. I received the faxed documents on Friday, May 1<sup>st</sup> and note that the application is once again, not signed. Please forward a signed copy by fax or email to my attention. There is a requirement for you to provide documentation from NPC that no conformity is required since the project area is outside the boundaries of an approved land use plan and also required is a screening decision from NIRB. Your contact at NPC is Brian Aglukark at HYPERLINK "mailto:aglukark@npc.nunavut.ca" [aglukark@npc.nunavut.ca](mailto:aglukark@npc.nunavut.ca) and at NIRB Leslie Payette at HYPERLINK "mailto:lpayette@nirb.ca" [lpayette@nirb.ca](mailto:lpayette@nirb.ca)

Sincerely

Boyd Warner, President
