none requested

---

---

- any other details on water use or waste disposal requested by the Board by November 1st of the year being reported; and

None

- updates or revisions to the approved Operation and Maintenance Plans.

None

**ADDITIONAL INFORMATION THAT THE LICENSEE DEEMS USEFUL:**

The lodge operated for two weeks in 2016 and we hope to operate for 3 or 4 in 2017.

**FOLLOW-UP REGARDING INSPECTION/COMPLIANCE CONCERNS:**

Areas identified in last report were carried out. Specifically:

- 2015 report was submitted
- no Garbage from the lodge was deposited on "Garbage Island"
- Hazardous materials would be backhauled to YK.
- The use of a new route to the airstrip was investigated and it was determined that more damage would be done then using the existing route. It should be noted the trail in use is primarily a community trail and only used 6 - 10 times / yr by the lodge.
- the new sewage location and burn locations were activated as per the inspectors request.

Bathurst Inlet Lodge.
