Nunavut Water Board
Gjoa Haven, NU
X0B-1J0

Dear Sir or Madam,

I was issued a Water License #NWB6EKK0510 Type "B" which is attached to this letter. I would like to apply for a renewal license.

Everything in my original application is the same nothing has changed. I would very much appreciate if Nunavut Water Board could consider my renewal as soon as they could possibly get together. I personally know at times it is very hard to get together because of our demographics and weather, but the problem with my license is that it expires just around the time I should be at my camp to get things ready for my guests and get everything into shipshape before my first guests arrive.

Many thanks in advance for your consideration it is very much appreciated.

Yours truly,

W. L. Lyall
