The Nunavut Water Board acknowledges receipt, on June 18, 2015 of your application for renewal of the above water licence which expired on August 31, 2009.

Administratively your application requires the following documents:

1. Project summary in English and Innuinaqtun.
2. Administration fee of \$30.00 for this renewal
3. Outstanding water use fees of \$121.64 as per the attached water fee tool. Also a water use fee will be required prior to issue of a renewal. If you remain with 10 m3/d the fee will be \$30.00
4. There will be a requirement for NIRB screening and confirmation from NPC that the application is exempt from conformity as it's outside the boundaries of both land use planning regions.

Your file is also being viewed by the tech advisor Sonia Aredes. Any technical requirements will be requested by her.
