RE: NWB Technical Review of 2017 Annual Report for the Arctic Haven Lodge; Water Licence No. 7BL-ENN1828

Dear Mr. Weber:

The Nunavut Water Board (NWB) has completed a technical review of the 2017 Annual Report received by the NWB on March 12, 2018.

The technical review of the Annual Report found that the information addresses the requirements of the Licence. For future reports, please provide more information about your actual water used, such as the duration of the withdrawal. This report could be interpreted to say you used 3.8 m³/day for the entire year (i.e. ~ 1,400 m³ total).

Thank you for providing this report, we look forward to seeing your 2018 Annual Report.

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

Dave Baines
Nunavut Water Board,
Technical Advisor
