**Subject: Addendum to Approved Spill Contingency Plan –Ennadai Lake Lodge**

Dear Mr. Young:

Please be advised that the Nunavut Water Board (NWB) has reviewed the *Addendum* to the “Spill Contingency Plan – Ennadai Lake Lodge” which was submitted to the Board by Cawker and Young Outfitting Ltd. on October 20, 2004. The Board herein confirms that Cawker and Young Outfitting Ltd. has provided the following information, which was submitted in accordance with the requirements outlined in Part F, Item 1 of NWB6ENN0409:

- i. The addition of Environment Canada personnel in Iqaluit at 867-975-4639 to the spill response contact list for Nunavut;
- ii. The notification of the DIAND Water Resources Inspector in Nunavut at (867) 975-4298 following the occurrence of any spill of chemicals, petroleum products or waste associated with the project;
- iii. The location (including GPS and map sheets coordinates) of all fuel storage areas associated with the undertaking; and
- iv. The provision of a diagram indicating the camp layout, including the location of spill response kits and additional spill response resources.

The NWB thanks Cawker and Young Outfitting for the information provided, and confirms that no additional information is required regarding the Approved “Spill Contingency Plan – Ennadai Lake Lodge” at this time.

Please contact the undersigned at (867) 360-6338 or e-mail Jim Wall (Technical Advisor, Municipal) at [tech1@nwb.nunavut.ca](mailto:tech1@nwb.nunavut.ca) if you have any questions.

Sincerely,
