Dear Mr. Hakongak:

The Nunavut Water Board acknowledges receipt, on October 29, 2009 of your letter asking whether or not you require a water licence to operate an outfitters camp. This activity does require a water licence and the following is required:

3. Area Maps
4. Spill Contingency Plan
5. Abandonment and Restoration Plan
6. Administration Fee (\$30.00)
7. Water Use Fee (\$30.00)
8. Conformity Determination from Nunavut Planning Commission
9. NIRB Screening
10. Name of the Project
11. English and Inuinaqtun Project Summary

Once these documents are received your project will undergo a preliminary technical review and if complete, will be distributed to interested parties for a 30 day review.

Sincerely,
