Re: New Application Acknowledgement for the Hakongak Outfitting Camp

Dear Mr. Hawkins:

The Nunavut Water Board ("NWB") acknowledges receipt on December 14, 2009 of your new water license application for the Hakongak Outfitting Camp, file number 3BC-HKO----

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- NIRB Screening Decision (or confirmation in writing that a NIRB screening is not required)
- Inuinnaqtun project summary

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensingadmin@nunavutwaterboard.org](mailto:licensingadmin@nunavutwaterboard.org) if you have any questions.

Sincerely,
