**PROJECT SUMMARY:**

Northern Networks Ltd. is an Inuit Owned General Contracting Company based in Arviat, Nunavut. We have an existing camp at Henik Lake, 120 miles west of Arviat. The camp will be used for Tourism purposes, exploration support and recreational use by the owners of Northern Networks Ltd.

The camp will be able to accommodate 20 people with the camp consisting of the following:

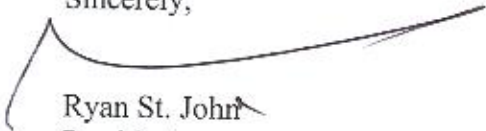

- 5 – 12x16 sleep tents
- 1 – 12x24 kitchen/office
- 1 – 12x24 Dry (showers, etc)
- 1 – 10x20 Sea Container
- 2 – 10x12 storage buildings

The impact to land and water will be minimal. All combustible garbage will be burned and non-combustibles taken back to Arviat for disposal at the land fill.

Having the camp available will create opportunities to employ local Inuit as hunting and fishing guides as well as camp helpers for exploration companies. The camp will be used for 4-8 weeks per year.
