The Nunavut Water Board (NWB) has completed a preliminary review of the above-mentioned application, which determined that the following items must be addressed or information provided before the NWB could proceed to the next stage of the licensing process for the application:

1. Summary of the Application in Inuktitut;
2. Summary of the Application in English;
3. A map depicting the location of the Project area;
4. A copy of the Spill Contingency Plan for the Project; and
5. A copy of the Closure and Reclamation Plan for the Project.

If you have any questions, please contact me at your earliest convenience

Thanks.
