Hi Sonia, I discussed this and our other reporting requirements with Dr. Tam this week. Dr. Tam is working on the file and should have a response drafted soon.

Please understand that both my office and Dr. Tam's office have very limited resources. We are working as fast and as diligently as we can.

Hi Tom

Please, could you tell the NWB what is the status of DND response to INAC questions and when the nwb can expect this response?

Thanks

Sonia

Subject: 8AC-ALT application for renewal - response to INAC Information Request

Hi Tom

Thanks for your email. The NWB has received your response to ECCC comments regarding the Application for renewal of the 8AC-ALT water licence.

During the review period of the application submissions were received from two parties: ECCC and INAC. DND response to INAC comments has not been received yet, please could you tell the NWB when can we expect a DND response to INAC information request?

Regards
