Hi Andrew

I am following up to the last communications between the NWB to the DND, see attached.

It is my understanding that we are waiting on a response from the DND to ECCC comments. Do you have a rough time line for submitting this?

In addition, in the DND's response to INAC, a 2016 wetland report was supposed to be submitted with the 2016 annual report. We have the 2016 annual report but not the 2016 Wetland report. Can you please provide this.

Thanks you,

Derek
