Hello Richard,

As per our phone conversation I'm emailing to request an extension to the deadline for the final summary for the Station Alert Project. Environment and Climate Change Canada is requesting an extension to September 27th, 2019 to allow for a comprehensive review of the proponents responses and translation.

Thanks,

Eva

Subject: 8AC-ALT---- Update on Written Public Hearing

Good morning,

Please see attached on Update on Next Steps and Timing of Written Public Hearing for Type "A" Water Licence 8AC-ALT--
-- Renewal and Amendment Application, Department of National Defence, Canadian Forces Station Alert Project, NU.
The next steps are as follows:

- All further and final responses of the Applicant to the information filed to date must be filed with the Board on or before **Friday, August 23, 2019**;
- All parties must file any final summary documents for the Board's consideration and/or closing arguments with the Board on or before **Tuesday, September 3, 2019**; and
- If the Interveners and/or the Applicant file additional written submissions, final responses and final summary materials as outlined above, they are also requested to provide an Executive Summary of their written submissions in English, French and Inuktitut and fully translated copies of their final summary documents in English, French and Inuktitut when they file the full submissions or as soon as possible afterward.
